From the Pastor:

Please welcome Father Ron Mrozinski who will speak at all the Masses on behalf of Cross Catholic Outreach which was founded to create a meaningful link between parishes in America and the priests and nuns working in the Church overseas in the Caribbean, Africa, Asia, Central and South America. Please be generous in your response to Father's appeal. Brochures will be provided if you wish to support this worthy Catholic ministry. I have known Father Ron for many years and I know you will enjoy his message this weekend. When I was stationed at Wadhams Hall Seminary-College, Ogdensburg as Vocation Director and many other things, Father Ron was President of Mater Dei College which was located next door to the Seminary. He used to be a mean tennis player!

Everything is going very well on our Pilgrimage to Poland and Eastern Europe. Today (Sunday) will find us in Budapest. We will see Hero Square and the old inner city of Pest, Margaret Island, Buda Castle, Fisherman's Bastion and scenic Gellert Hill, which overlooks the city. On Monday, we leave Hungary's enchanting capital and continue across the border into Austria and then to Vienna, a metropolis in which the history of Europe has been uniquely documented. Tuesday will be spent touring the beautiful city of Vienna – the Votive Church, the University, the City Hall, the Opera House and Schonbrunn Palace. We will cross the border into the Czech Republic on Wednesday and continue on to the historic capital of Prague, located on the Vltava River. The focus of our last full day will be the city of Prague – the Gothic St. Vitus Cathedral, the Golden Lane, the Romanesque Basilica of St. George and Mala Strana, the Old Town, and, of course, the Infant Jesus of Prague statue at Our Lady of Victory Church. On Friday morning we will board our flight back to New York and will arrive back in Carthage very late on Friday night.

The pilgrimage is wonderful in every way possible. I have celebrated Mass each day remembering all of you in prayer and in all the beautiful churches and Cathedrals visited. The weather has been great with temps in the 60's. The food is good and I have packed on a few extra pounds. I will need to get out on the bike as soon as I return. The only problem I've had is with some of the women travelers - I found some ladies drinking large amounts of Polish Vodka on the bus!

Tomorrow we begin the long-awaited restoration to the exterior of St. James Church. Lupini Construction, Utica will begin to move the lifts into place at that time. We will try our best to keep things as normal as possible around here but there may be some modifications to usual procedures. Some Church entrances may be blocked off during the week, etc. During the weekend, the lifts will be moved to the parking lot across from the Parish Office. The restoration work will take a break from June 17 – 26 as we prepare for the St. James Fair and start again after that. Please pray for the success of this project. This first phase that we are completing this spring/summer is the most extensive and costly. Jeff Kepler has generously agreed to check on progress until I return on Friday.
