From the Pastor:

Welcome to the beautiful month of July! I hope you are able to fit in some time to relax and enjoy this wonderful month and time of the year – a time of warm summer days, down-time from work, vacation trips with the family, trips to buy ice cream on hot summer evenings, etc.

As I write this column, we are right in the middle of the 44th Annual St. James Fair. Everything seems to be going well. Thanks to all who have worked so hard to bring it all together. You have been wonderful. My biggest challenge has been the dunking booth. The water is much colder and dirtier than last year! I think someone has been tampering with the water.

Obviously it will take many weeks to calculate the profits from the Fair. There are many outstanding bills to be received and paid and sometimes that can take an extended amount of time. We will do our best to get the financial information to you as soon as possible.

Mark your calendar: the End of Summer Parish Picnic for St. James and St. Mary's will be Sunday, August 26 beginning at 12 noon on the front lawn of St. James Church. We had such a wonderful time last year with such incredibly beautiful weather that I have decided to do it all again. There will be more details later but please plan to attend with your family

The annual Augustinian Academy Alumni Reunion was a HUGE success. Thanks to all the people who helped plan this important event. I extend a special thanks to Michael Sligar who was the main speaker at the banquet; he kept his speech to only 2 hours. Also, we were greatly entertained by the talented Britton Brothers!

Speaking of Alumni Reunions, I attended my High School Reunion last week at LaFargeville. As many of you know, LaFargeville is where I grew up and it is a very small town. In fact it is so small that:

- Second Street is on the edge of town.
 - You don't use signal turns in LaFargeville because everyone knows where you are going.
 - You call a wrong number and they supply you with the correct one.
 - The McDonalds only has one golden arch.
 - Our 7-11 is a 3 ½ - 5 ½.
 - Our phone book has only 1 page.
 - Our zip code is a fraction.
 - Third Street is in the next town over.
 - A "night on the town" in LaFargeville takes only 11 minutes.
 - Our New Year's baby is usually born in October.
- That's how small my home town is!
