## From the Pastor:

We extend a HUGE welcome to the alumni from Augustinian Academy who are in Carthage this weekend for their annual reunion and Mass. It is wonderful to know that CAA has such a strong and active alumni group. Thanks to all who helped plan the events of the weekend. This is my second alumni reunion Mass and reunion. I can't wait to see who the dinner speaker will be this year. Some of us are still recovering from last year's presentation!

Next Sunday is Father's Day and much like Mother's Day, when you come to Mass next weekend you will find a Father's Day prayer card in the pew. Please write down the name of your father, living or deceased and we will pray for all the fathers during the Eucharistic Prayer. At the end of Mass, a special blessing will be extended to all the fathers and then as they are exiting, they will receive a special keep-sake gift that they will treasure for the rest of their days!

Also, next Sunday at the 10am Mass we will have our annual Baccalaureate Service and we will honor and salute all our graduating seniors who are members of St. James Church. If you know of a senior who should be included in this celebration, please call the parish office so we can include everyone in this important event. There will be a reception following the Mass. Next Sunday evening at 7pm, there will be a Baccalaureate Service at Church of the Nazarene, Carthage for all area seniors.

Also, next Sunday we will have our parish celebration for Sister Annunciata, SSJ who is retiring as principal at the end of the school year. The Mass is scheduled for 2pm (it satisfies your Sunday obligation!) and there will be a reception following in the school gym. Sister's love for CAA has been very evident over these many years and I am sure you will want to turn out to show your appreciation for her faithful service to us and the families of our parish.

The restoration work on the exterior of St. James Church continues. Lupini Construction reports that 25% of Phase 1 has now been completed and the first bill for \$61,000 has been received. As you remember, Phase 1 is the most extensive Phase and the most expensive at about \$250,000. Lupini Construction has proposed that the exterior work be completed in about 3-4 Phases over the next few years. Thanks to all those individuals and families who made contributions to our recent Capital Campaign which makes all of this work possible. I can report that parishioners have been very faithful in making their pledge payments when the reminders are sent out. This is a big help for us as we continue planning our Church renovations.

Speaking of that, I would like to give you a quick update on the interior portion of the Church renovations. As you remember, there were 4 different aspects to the interior plan: 1.) repaint church interior; 2.) refinish wood floor and update main aisle with new flooring; 3.) brighten interior of Church by upgrading to LED lighting and addition of up-lighting; 4.) and update Reconciliation Room. As you well know, the Reconciliation Room improvements were completed in March/April. Almost all the old lighting in the Church has been switched to LED lights and a plan has been proposed and considered for up-lights to illuminate our beautiful vaulted ceiling and murals up above. The interior painting will be done by J.L. Smith and Sons Building Contractors, Port Leyden (same company which did Reconciliation Room work) Continued next column.....

(continued...) and the interior work will commence after Labor Day. We are hopeful that the painting project will be done without moving weekend Masses to another location. However, there is a slight possibility that we will have to move the weekend Masses to the gym or front lawn (weather permitting) one or two weekends in order to expedite the whole process. We will know more about this after we begin the project.

An Interior Renovation committee has been named to assist me in planning the interior designs ( choosing colors, etc. ). I don't want this responsibility myself and besides I am slightly color blind and the church would end up being painted sky blue pink with purple stripes! The Committee includes: Cam Moses (trustee), Darby Tarr, Tom Solomon and Bob Renaud. If you have any concerns or ideas for the interior, please see me or one of these individuals. We will be meeting over the summer to begin the deliberations.

And FINALLY, the flooring: I have been in contact with 2 restoration flooring companies and I am gathering ideas about refinishing the hard wood floors under the pews. Some people are of the opinion that the floors should be refinished before we begin painting?! I will keep you posted.

### **Thank you from the Choir and family of Peg Thesier -**

The St. James Choir and the family of Peg Thesier are so very grateful for the support of our St. James parish community at her recent benefit. It was an awesome day full of the spirit of our loving and kind church family. Please continue your prayers for Peg.

### **Attention all Seniors - St. James Baccalaureate Mass -**

All St. James 2017 graduating seniors are invited to the Baccalaureate Mass on June 18 at 10am. A reception for seniors and families will follow in the Community Room. Please call the Church office 315-493-3224 so we know how many will be attending . Please bring caps & gowns and any honor sashes, and meet in the Community Room at 9:30am.
