## From the Pastor:

Next Sunday is World Mission Sunday! Each year the entire Church is invited to support the young mission dioceses in Africa, Asia, the Pacific Islands, and parts of Latin America and Europe, where priests, religious and lay leaders serve the poorest of the poor. Your generosity next weekend supports those most in need around the world.

OCTOBER is RESPECT LIFE MONTH! May we show by our words and actions that every human life is cherished and chosen. May we build a culture of life by embracing our mission as messengers of God's love. I ordered some pertinent Respect Life bulletins and they are found in the Church Gathering Area. Please pick up a few and read and reflect on them.

**St. James Parishioners:** Have you turned in your contribution to the 2018 Bishop's Fund Appeal? There are still pledge cards and donation envelopes in the pews. I am grateful to the families who have made a sacrificial gift to this year's Appeal. Every gift makes a difference – every gift counts.

The month of October is designated Personal Care Donation Drive by our local Catholic Charities. As you may know, hygiene items are not provided through WIC or SNAP benefits and are either scarce or non-existent at many local food pantries. There are baskets in the Gathering Area of the Church for your donations. These kind of items would be greatly appreciated: toothpaste, toothbrush, bath soap, shampoo, combs, toilet paper, paper towels, band aids, dish soap, laundry soap, kitchen and bathroom cleaner, etc.

I know you find it hard to believe but I have 2 feet! Two years ago, I had major surgery on my left foot. This week I had a similar operation on my right; I wanted a matched set! The most difficult part of my recovery is being confined to my room for 10 days with my leg elevated. That is not easy for me who is so active. I had this surgery scheduled for last fall but as it turned out I had to have shoulder surgery then and so I had to cancel the operation. After I get the stitches out on either Oct. 19 or 22, I will have a medical boot to wear for about 5-6 weeks. One of the difficulties this time around is that I will not be able to drive a car for at least a month. When this is all over, with my new feet and shoulder, I should be good for another 50,000 miles!

I am delighted the Rev. Steven J. Brosk from the Archdiocese of Newark will fill in for me while I am homebound. He is the brother of Joseph, and as some of you remember, he "covered" for me 2 years ago. I am very fortunate to have this military chaplain here to assist while I am out of circulation. Please extend a warm welcome to him as I know you will.

**Hospice of Jefferson County** will be holding a volunteer training course beginning, Saturday, November 3. See flyer on bulletin boards.

This week, the **Diocese of Ogdensburg** released its report detailing the outcome of the Independent Reconciliation and Compensation Program or "IRCP." The IRCP is part of an on-going effort to express contrition to those who suffered sexual abuse by diocesan clergy and to help them find healing.

This report outlines the IRCP's progress, including the number of victims and accused abusers and compensation distributed. It also reviews the lessons learned in the process and summarizes our Safe Environment program and how allegations of misconduct are handled today. The complete report is available in this week's edition of the North Country Catholic, at northcountrycatholic.org and the diocesan website, rcdony.org.
