Inspiration of the Week

The Pharisees try to trick Jesus into starting a political revolution. They don't realize he came to start a revolution of the heart, not the state. God's image is stamped on our soul, but still the world tries to claim us. Revolt! You belong to God.

St. Mary's
NYS Rt. 12, Copenhagen
Land Deeded 1901, Incorporated, 1890
Present Church Dedicated, 1902

We are two diverse communities of faith who are united in bringing the Gospel into the daily lives of all who worship with us. We stand together with all people, especially the poor and the alienated, as a sign of God's universal love for all people. We extend a warm welcome to all and hope that you will find the parishes of St. James and St. Mary's places where faith can be nourished.

October 2026

Dear Sisters and Brothers in Christ,

Today, we celebrate World Mission Sunday, a powerful reminder of our shared responsibility to proclaim the Gospel to all nations. It is a day when Catholics around the world unite in prayer and solidarity to support the missionary work of the Church.

We are all called to be a part of this mission work. The Mission Sunday collection helps extend this work to places where the Church barely exists, where the Gospel has never been heard before, and where the Church is too young, too persecuted, or too poor to sustain herself.

On World Mission Sunday, we stand in solidarity with the missionaries, priests, religious sisters and brothers, and lay leaders serving in the 1,130 mission dioceses — spanning Asia, Africa, Latin America, Oceania, and the Middle East — that depend on our prayers and financial support to continue proclaiming Christ and building His Church.

The year's World Mission Sunday celebration is unlike any other in our lifetime for two reasons.

First, the beatification of Archbishop Fulton Sheen on September 24 reminds us of the importance of the missions. While many know him best for his TV presence, books, and charismatic eloquence, he repeatedly said, "My greatest love has always been for the missions of the Church." For 16 years, as National Director of The Pontifical Mission Societies in the United States, he poured his talents into World Mission Sunday and distributed the proceeds diligently to the missions. We can surely count on his intercession for World Mission Sunday 2026.

Secondly, this World Mission Sunday marks the 100th anniversary of its establishment by Pope Pius XI in 1926. This centenary is an opportunity to mark it with renewed missionary zeal. This year's theme, "One in Christ, United in Mission," chosen by Pope Leo XIV, invites us to rediscover the profound unity we share in Christ through baptism and how our baptismal identity overflows into the mission to bring others into communion with God and us.

Pope Leo XIV recognizes how important World Mission Sunday is for the Church. He spent a large part of his priestly ministry as a missionary in Peru, serving communities in the Andean highlands and rural villages, and has noted how dependent he was on the support of the Church universal through World Mission Sunday.

I am praying that World Mission Sunday will be a blessing for our diocese and help foster increased zeal for the missions within all of us. Let us pray together that the Holy Spirit will renew in us the fire of the early Church, that we might truly be One in Christ, United in Mission, and that we will grow in missionary awareness, solidarity, and responsibility.

Gratefully yours in Christ,

Most Reverend Terry R. LaValley
Bishop of Ogdensburg

The Permanent Deacon Formation Program - has been active in the Diocese of Ogdensburg since the 1970's. It started out with Aspirants and Candidates taking classes and staying full weekends at Mater Dei College. Now we have what's called a hybrid program where the men take classes both at Wadhams Hall once a month and have online classes through the STEP Program of Notre Dame University. Most have also gone through the Formation for Ministry Program of our diocese. This year, we will have Aspirants and Candidates coming from such diverse locations as Ticonderoga, Lake Placid, Watertown, Malone, Westport, Brownville, Clayton, and Plattsburgh. Needless to say, none of these programs are free. They would not be possible except through the generous donations to the Bishop's Fund from people like you throughout the diocese. Our men, their wives, and their families make a substantial sacrifice of time, talent, and financial resources to take part in our formation program, and your support of the Bishop's Fund serves as an essential partnership with their effort.

A Permanent Deacon can never take the place of a parish priest, but they can help out a priest in many vital ways. Being a pastor in an active parish can be a heavy responsibility, and the support offered by our Permanent Deacons is needed now more than ever. Many thanks to those who support the Permanent Deacon Formation Program through their donation to the Bishop's Fund. God bless you.....

Deacon Lee Trudeau, Director of Deacon Formation.
