Did You Know...About Kneeling

Humility at Prayer: Our kneeling at prayer, be it at church, at our bedside, or by a young child, can communicate many different affects and values. Piety, penance, adoration, and supplication are but a few, and kneeling might mean any one or several of these, depending on context.

Notably, at Eucharist, the postures of those gathered at prayer have varied broadly over time and space, sometimes with the assembly and the presider sharing a common posture, and in more recent times a dissimilar posture. At least partly because of this, in some ways, kneeling has come also to represent theologies of humility and differentiation.

When kneeling in humility, we can recognize, rightly that God is God and that we are not.

October 2021

Dear Sisters and Brothers in Christ,

World Mission Sunday – the annual, worldwide Eucharistic celebration for the Missions of the Church – will be on **October 24** this year. This important day in the life of the Church Universal fortifies our understanding of our shared call to mission, bestowed upon us at Baptism.

Pope Francis' message for World Mission Sunday reflects on the theme: **"We cannot but speak about what we have seen and heard"** (Acts 4:20). The Holy Father shares his zeal, reminding us that, "as Christians, we cannot keep the Lord to ourselves," as we "recall with gratitude all those men and women who by their testimony of life help us to renew our baptismal commitment to be generous and joyful apostles of the Gospel." He invites us to speak of our faith!

World Mission Sunday provides us with that very opportunity. We can speak about our faith and respond to our missionary call – *through prayer, participation in the Eucharist, and giving generously* to the collection for the **Society for the Propagation of the Faith**. Your gifts support and sustain priests, religious and lay pastoral leaders in more than 1,100 mission dioceses in Asia, Africa, the Pacific Islands, and parts of Latin America and Europe as they proclaim the Gospel, build the Church, serve the poor – and speak of our shared faith in all corners of the world.

"The global pandemic has brought to the fore and amplified the pain, the solitude, the poverty, and the injustices experienced by so many people," reminds Pope Francis. This year, as the world recovers from the loss and the challenges that resulted, let us respond with generous hearts.

Thank you for helping us to reach out in solidarity and support for the Mission Church, and the work and witness of missionaries.

In this spirit, I offer my personal gratitude for your kind missionary heart, reaching out in love throughout Mission Month and beyond.

Faithfully yours in Christ,

Most Reverend Terry R. LaValley
Bishop of Ogdensburg
