We are two diverse communities of faith who are united in bringing the Gospel into the daily lives of all who worship with us. We stand together with all people, especially the poor and the alienated, as a sign of God's universal love for all people. We extend a warm welcome to all and hope that you will find the parishes of St. James and St. Mary's places where faith can be nourished.

*Memorial Mass for
Rev. James T. Spenard, O.S.A.
(Pastor 1979-1997)*

*Saturday, October 31, 2020 at 10am
With Most Rev. Terry R. LaValley officiating*

From the Pastor:

We are doubly blessed this week:

Bishop LaValley is not only coming to St. James once this week – but two times! He will be here tomorrow for his annual visit to CAA. He will celebrate a 9:30am Mass for faculty and students. The Mass is open to the public and everyone is invited. We will be on our best behavior, including the pastor. Then on Saturday, we are very pleased that Bishop LaValley will celebrate a Memorial Mass for Father James Spenard at 10am. The Bishop has adjusted his schedule so he can be with us for this important Mass. Father Spenard spent over 20 years serving the People of God here at St. James. Therefore, we will gather in prayer on Saturday morning to pray in thanksgiving for his wonderful selfless service and also pray for his eternal rest. Please join us.

As some of you might remember, I was scheduled to lead a pilgrimage to the Passion Play of Oberammergau in Germany in May. Obviously, it was cancelled and won't be performed until 2022. If there are any people who might be interested in this extraordinary event, I would be happy to give them some info. about the trip. Anyway, in the meantime, I have decided to lead a 11 day pilgrimage to Egypt and the Nile next November 2021. This trip of a lifetime includes the Great Pyramids, Cairo, Luxor, Aswan and many other important sites. I have put some travel brochures in the Gathering Space and if you might be interested, please pick up the literature and take it with you.

In 1969, fifty-one years ago, we travelled to the Moon and back. Now we can't even get to Canada and back!
